GOAL

What problem does the persona want to solve or which benefit does the character want to gain? Why would the persona use or buy the product? If you identify more than one goal, prioritise them and state the main goal at the top.

Goals / Benefits to Achieve:

-Use The Points Challenge as a lightweight testing ground to illustrate how nudges influence decisions

-Gather insights for ethical UX practices; compare "AI recommends this" prompts vs. user autonomy

-Demonstrate to teammates how to design better onboarding experiences
